TREASURER'S COMMENTS:

The report above is a comparison report for the period "month" indicated for General Fund only (does not include Fund 2 Grants Funding, Capital Outlay, Building Fund, Fund 51 Food Service). It is a "Snapshot" Summary for the month only.

It reflects a comparison for the current month identified in the heading above to expenditures for the same period "month" for the past three years' actuals. For example: 0001087 Buildings Operation & Maintenance shows less expended for the current month as compared to last year's actual for the same month.

Effective for December 2018, the Account 110 General Fund Revenue for the current year column reflects the Beginning Balance (Carryover from last year) as verified in the annual audit. Also, the revenue line does reflect cumulative General Fund revenues as deposited in the current school year.
